The enclosed *Grid* is in effect between July 1, 2024 through June 30, 2025, and is posted to the WVA's website in both PDF and Excel format (<https://wavaccine.org/assessment-grid/>).

As a reminder, the *Grid* lists vaccines and their corresponding CPT codes that are part of the dosage-based assessment (DBA) process for providers, health insurance carriers, and third-party administrators (TPAs). In effect, the *Grid* is the equivalent to a fee schedule. Providers are required to submit the DBA at the *Grid* amount, and **health insurance carriers and TPAs are required to remit the full amount to the WVA.** Properly remitted and paid DBAs ensure that adequate funds are available to support the State's continued purchase of pediatric vaccines in Washington.

In addition to the *Grid*, please find enclosed the following WVA's *Health Insurers and Third-Party Administrators Compliance Guide*. This *Guide* contains a checklist of items to ensure compliance with the WVA's requirements.
