

JULY 1, 2026 Assessment Grid Changes

Bulletin Date: May 1, 2026

TO: Washington Vaccine Association Health Insurers and Third-Party Administrators,

The **2026-27 Vaccine Assessment Grid** ("Grid") will be **effective between July 1, 2026 through June 30, 2027**, and is posted to the WVA's website in both PDF and Excel format (see back page). **Payers are required to update their adjudication systems.**

With the exception of the changes listed below, the 2026-27 WVA Vaccine Assessment Grid codes and Grid Amounts are staying the same as the current 2025-26 Grid.

- ✓ All Influenza NDCs have been updated with new codes.
- ✓ Influenza CPT 90661 Flucelvax® TIV has a new Grid amount of \$39.00.
- ✓ All COVID-19 CPT codes have new Grid Amounts.
- ✓ New COVID-19 CPT codes are expected mid-summer for the fall 2026 respiratory season.
 - WVA will send a notification when information is available.
- ✓ Maternal RSV product ABRYSVO™ with CPT code 90678 has a new NDC.

The **2026-27 Vaccine Assessment Grid** lists immunizations, along with their CPT/NDC codes, that are included in WA Department of Health's Childhood Vaccination Program ("CVP") and for which the dosage-based assessment ("DBA") process is required. The Grid acts as a fee schedule for WVA's TIN.

- ✓ Providers are **required to submit the DBA** to health insurance carriers and TPAs **with the correct Grid Amount** based upon date of service.
- ✓ Health insurance carriers and TPAs are **required to remit the full Grid Amount to the WVA** per RCW 70.290.040.
- ✓ Health insurance carriers and TPAs **should not process DBAs as Out-of-Network** services.
- ✓ Any **logic to pay at lesser-of billed versus charges should be turned off** for the WVA TIN.
- ✓ **Timely filing limits do not apply** to DBA payments.

The back side of this notice contains QR codes and URLs to facilitate access to key documents to support payment to the WVA. Please take a moment to review both sides of this document and share as appropriate within your organization.

Should you have any questions, please contact us at compliance@wavaccine.org.

Best regards,

Julia Walter Zell, MA, Esq.
Executive Director

**Update your
fee schedules!**
